FY 2011 Regional Catastrophic Preparedness Grant Program

In FY 2011, the Regional Catastrophic Preparedness Grant Program (RCPGP) provides \$14,101,736 to support coordination of regional all-hazard planning for catastrophic events, including the development of integrated planning communities, plans, protocols, and procedures to manage a catastrophic event. The RCPGP will focus on demonstrating the progress made by the 10 RCPGP sites, identifying remaining gaps, and implementing the Whole Community Philosophy, which ensures the engagement of the entire community in the planning process. Grantees will also be encouraged to focus on improving catastrophic plans already under development through the use of a “meta-scenario” that draws from the largest planning factors contained within the hazards previously identified by the site as the basis for their planning efforts. Finally, these funds will be used to complete efforts initiated under previous RCPGP awards. The program deliverables submitted from RCPGP grantees will be made available throughout the country to enhance national resilience.

The following RCPGP final awards will be released and allocations will be announced on August 23, 2011. The table below specifies allocations under this program:
